We intend to continue to cooperate fully with the Government of Sweden and all other interested parties in a persistent effort to obtain information that will clarify the fate of this brave man. As Ambassador Max Kampelman noted at a CSCE plenary session a year ago, the Wallenberg case is one that "will not go away;" the Soviet failure "to appreciate the human factor which is symbolized by the Wallenberg case" only serves to stimulate further interest. The United States Government will continue to express concern over the Wallenberg case at every appropriate opportunity, both publicly and in our diplomatic communications with the Soviet Union, and we expect that this matter will be raised again in Madrid and elsewhere.

Sincerely,

Raymond F. Smith
Officer-in-Charge
Bilateral Relations
Office of Soviet Union Affairs.
